**October 10, 2016**

**Dear Provosts, Deans, and Emeriti Association Presidents:**

This is a call for nominations for the 2016-2017 Constantine Panunzio Distinguished Emeriti Award and an explanation of the nominating procedures. Created by a bequest from Professor Panunzio of UCLA, the award honors outstanding scholarly work or educational service (e.g. service in professional, University, Academic Senate, emeriti, departmental or editorial posts, or committees) performed since retirement **by a University of California emeritus or emerita in the Humanities or Social Sciences.**

Each campus may set up its own procedures for nomination and selection. Appropriate Deans on each campus, as well as the Provost or comparable officer, are asked to solicit nominations for this award from their constituent departments. Candidates may also self-nominate at this stage.

The complete supporting dossier must include:

- A cover letter outlining the nominee's distinctive scholarly work and/or educational service since retirement,
- A Curriculum Vitae, and
- Supporting letters (2 minimum) from leaders in the field commenting specifically on the nominee's achievements since retirement.

**Below are some suggested guidelines and dates to facilitate this process:**

By Friday, December 9, 2016	Nominations submitted to the President of the campus' Emeriti Association for review.
By Monday, January 9, 2017	Emeriti Association forwards recommendation(s) to campus Provost (or comparable officer) for review.
By Friday, January 27, 2016 review	Suggested deadline for completion of Provost's and approved nomination sent back to the Emeriti Association for coordination of the formal dossier (nomination package)

(nomination package).

By Monday, February 27, 2017 Deadline for final nomination from each campus due to Selection Committee. The Emeriti Association President should inform the campus' Provost, Deans, and pertinent Department Chairs of the final nominee.

### ABOUT DR. CONSTANTINE PANUNZIO

CONSTANTINE PANUNZIO (1884 -1964) was a professor of sociology at UCLA from 1931 until his retirement in 1952. It is largely to Professor Panunzio that the UC emeriti owe the present pension system, established by The Board of Regents after they received a six-page memorandum from Professor Panunzio. Edward A. Dickson, who was Chairman of The Board of Regents at the time (1954), described Dr. Panunzio as the architect of the UC Retirement System. Thus, during the last dozen years of his life, Dr. Panunzio was instrumental in bringing about a substantial increase in the stipends of colleagues already retired at the University of California, in improving the retirement system at UC, and in discovering what the situation was for other retirees at institutions throughout the United States by launching a nationwide emeriti census in 1954.
