The Board has begun discussions about developing new programs that may be of interest to UCSB emeriti. For example, several emeriti have suggested a seminar series.

2007-09 Bio-bibliography Survey

The campus association worked diligently to assure participation of UCSB emeriti in the Bio-bibliography Survey. We are pleased to report that a 39% participation rate was achieved. A summary of the results has been sent to CUCEA and to the UCSB Chancellor and other top administrators.
The Post-Employment Benefits Task Force Forums

UCSB hosted two listening forums on November 2, 2009. Emeriti filled the room at the session to which they were invited. The next forum will be held at UCSB on April 30, 2010.

CUCEA/CUCRA Joint Meeting

Much of the year was spent planning for the Joint Meeting, to be held at the Mosher Alumni House on the UCSB campus in Spring 2010. The new format spreads the meetings over two days. CUCEA will meet on the afternoon of April 28, the Joint Meeting will take place on the morning of April 29, and CUCRA will meet on the afternoon of April 29.

Undergraduate Prizes

The UCSB Emeriti Association will again award cash prizes in the 2010 UCSB Undergraduate Research Colloquium, sponsored by the UCSB Office of Undergraduate Research and Creative Activity. The funding for the prizes comes from emeriti donations. Cash prizes will be given for first and second place in each of the following divisional areas: 1) Humanities and Arts; 2) Math, Physical Sciences and Engineering; 3) Social Sciences and Psychology. Board members serving as coordinators will establish a panel of emeriti judges for each division.

Luncheons

The Association again hosted a fall and a spring quarter luncheon, to which all emeriti were invited. Chancellor Yang attended the fall luncheon and Executive Vice Chancellor Lucas the spring luncheon, along with assorted administrators.

The speaker at the fall luncheon was UCSB Professor of Religious Studies, Juan Campo, on “What to Watch for in the Middle East”. (The speaker planned for the spring luncheon was unable to attend.)

Communications

In conjunction with the Retirees’ Association, a quarterly newsletter was again published and distributed.

The Emeriti Association President issued “Periodic Reports” to the members for important events.
