Dawn Passaro serves as the Retiree and Emeriti Center Coordinator. The goal of the Center is to provide a resource for faculty and staff of UC Santa Cruz as they transition to and engage in retirement. The Center also serves as an advocate for retirees and emeriti and assists in maintaining their connection to the University. This mission is achieved in collaboration with the UCSC Emeriti and Retirees' Associations by providing information, programs and services that contribute to the continued involvement, well-being, and creativity of all retired faculty, staff, and their families.
