UCSD RETIREMENT RESOURCE CENTER (UCSD-RRC) is the home of both the UCSD Emeriti and Retirement Associations. The UCSD Retirement Resource Center serves as the focal point for all retired faculty and staff wishing to retain their link to the University of California, San Diego. The UCSD Emeriti Association, some 550 strong, and the UCSD Retirement Association, the largest in the UC-system with over 2,000 members, offer members of both associations a wide variety of opportunities to enjoy continuing fellowship, education, travel, and meaningful service. The UCSD Emeriti Association supports the Chancellor's Scholars and Emeriti Mentor Programs.
